

Welcome to February 2025

Let us help you Winterize your vehicle

For the month of February, Autotek Services is recommending that all customers focus on their vehicle maintenance—we recommend that all vehicles be winterized—including maintenance and fluid exchanges.

Exchanging your fluids is critical if you want to maintain the life of your vehicle. Don't ignore your vehicles brakes—are they making noise while backing up or stopping? Shudder while Braking under load? Allow us to fix that for you, prior to a catastrophic failure.
