

Welcome to April 2025

Let us help you get your vehicle ready for Spring

For the month of April, Autotek Services is recommending that all customers focus on their vehicle maintenance—we

recommend that all vehicles be prepped for the spring—including maintenance and fluid exchanges.

Exchanging your fluids is critical if you want to maintain the life of your vehicle. Don't ignore your vehicle's brakes—are they making noise while backing up or stopping? Shudder while braking under load? Allow us to fix that for you, prior to a catastrophic failure.
