

September 2025—Back to School Service Special

For the month of September, Autotek Services is recommending that all customers focus on Vehicle maintenance—we recommend that all vehicles be serviced on a regular basis, especially as the rainy season is approaching.

Maintaining your fluids is critical if you want to drive safely. All vehicles need regular maintenance, fluid checks and winterization

Call us to schedule an appointment to have your fluid checked and serviced as well as for factory maintenance.

We will give you \$20 off on any factory maintenance service

As an additional courtesy we will extend this offer to any member of your family or friends who would like to benefit from this offer. Call 510-790-1492 to schedule an appointment by September 30th to redeem this offer.
